

# THE WATCHUNG ARTS CENTER'S Summer Art Camp 2010

**Professional Teacher/Artist: Monica Schraiber Otero and Staff**

**An exciting, enriching program for children ages 6-12.  
Surrounded by the beautiful Watchung mountains and lakes,  
art was never such fun!**

Workshops and lessons in Ceramics, Drawing, Painting, Sculpture, Masks, Printmaking, Art History and much more are scheduled throughout the day. Students will also paint and draw outdoors as they learn to appreciate both art and nature.

**NEW!** This year's creative theme is **WORLD ART**. Projects are based on various regions, cultures and famous artists from around the globe. Students may explore the rainforest, mid-west or valley of the Nile. They may create a Japanese print or paint like Picasso or Monet - or perhaps craft a dream catcher, a Chinese lantern or a ceremonial mask. The opportunities are endless. Explore these and other art forms each week.
